ITINERARY-HIGHLIGHT

Are you around Arusha for leisure or having extra day before starting you trip or waiting for the meeting? and you don't know which activities you can do around Arusha?

Here is the solution and answers for your questions, Arusha is the best city which is closer to the National parks, you can have a day trip to Arusha National, Tarangire National park, Lake Manyara National park and Ngorongoro crater.

Day trip to Arusha National park:

From your overnight lodge, we will pick you up after breakfast, drive to Arusha National park for safari game viewing, this is the smallest park in the Northern zone, the park is very beautiful with magnificent views of Mount Kilimanjaro and Mount Meru.

We see many wildlife such as Cape Buffalos, Zebras, Warthog, Many giraffe, Bush buck, Water bucks, Dik dik, red duiker, Baboons, Velvet Monkeys, Blue Monkeys and very beautiful Black and White Colobus Monkeys, Elephants, as well as many species of birds.

The small Momela and Big Momela lakes are the best place to see aquatic birds including Pink Flamingos.
